

White Mountain Ministries

Attention Christian Men:

Do you desire to experience the marriage you always imagined it could or SHOULD be?

Do you ever wonder if there might be something missing in your marriage...but are unsure what it could be?

Come discover God's answers to these questions...

Individual men (or men's fellowship groups) are invited to come learn God's biblically-based expectations of a husband's Christian role in a marriage.

Get into God's word at an Exemplary Husband Seminar!

Seminars are held on select Saturdays, from 8:30am to 4pm,
in beautiful Pinetop, AZ, at Mountain Haven Inn.*

Whether you come for an edifying, one-day seminar, or you decide to make it a weekend retreat, either way, come learn, enjoy good fellowship, good food and good conversation.

Contact us for our next seminar dates...and be prepared to receive the blessing God WANTS to bestow on your marriage!

Whether yours is an "anticipated", "new", "comfortable", "challenged" or "mature" marriage, in God's eyes it's *never* too late to learn, improve, strengthen or rebuild your marriage.

This seminar could be the ONLY thing keeping you and your wife (or future wife!) from experiencing the marriage you both desire...AND that God desires for you BOTH!

E-mail or call us with questions and/or to request an enrollment form.

*Minimum of 6 individual or group attendees required for a seminar to be offered/scheduled.
Saturday Full Day seminar rate: \$50/person (includes continental breakfast, lunch and textbook).
